PURPOSE

The purpose of this Directive is to provide current Subrecipients with contracts ending September 30, 2025 with a Request for Contract Renewal (RFCR) package for Program Year 2025-26 (PY 25-26). This RFCR package sets out program requirements and identifies documents that must be submitted in order for agreements to be renewed for the new program year.

Until the Mayor and City Council approve the Consolidated Plan, the Economic and Workforce Development Department (EWDD) cannot release funds to the Subrecipients for PY 25-26. Your agency, therefore, will assume the prudent risk for any and all allowable program expenditures incurred after September 30, 2025.

Timely submission of the renewal package is the sole responsibility of the applicant. The City reserves the right to determine the timeliness of all submissions. Contract execution is contingent upon Subrecipients submitting all corporate and contract-related documents.

This RFCR may be downloaded from the Economic and Workforce Development Department (EWDD) website at: [EWDD Economic Development Division Directives - Economic & Workforce Development Department, City of Los Angeles \(ewdd.lacity.gov\)](https://ewdd.lacity.gov).

Be advised, however, that the City will not be held responsible for delays in your receipt of the RFCR.

Documents and information to be submitted in response to this RFCR are listed in the checklist (Attachment 1). **RFCR submissions to the City must include all required forms and must be completed as to all requested information.
